

GLOBAL METHODIST CHURCH

GREAT LAKES CONFERENCE OF THE GLOBAL METHODIST CHURCH

Welcome Home! God is doing a new thing!

Isaiah 43:16-19 The Message

16-19 This is what God says, the God who builds a road right through the ocean, who carves a path through pounding waves, The God who summons horses and chariots and armies— they lie down and then can't get up; they're snuffed out like so many candles: "Forget about what's happened; don't keep going over old history. Be alert, be present. I'm about to do something brand-new. It's bursting out! Don't you see it? There it is! I'm making a road through the desert, rivers in the badlands."

Dear sisters and brothers in Christ!

It is an honor and joy to welcome you to this new expression of Methodism in our “neck of the woods” around the Great Lakes, and throughout the world! Thousands of Methodist clergy and laity from around the world are coming together to form a theologically orthodox Methodist denomination steeped in the great ecumenical and evangelical confessions of the Christian faith. We are making hard and courageous decisions as we become a movement for God, again. We are forming a global church that is a warm hearted, Wesleyan expression of faith dedicated to sharing the Good News of Jesus Christ in Word and in deed.

This letter serves as your welcome letter to the Global Methodist Church, and to your local annual conference, the Great Lakes! This past year, leaders from the four states of Indiana, Illinois, Michigan, and Wisconsin have worked to form our local annual conference. Your congregation is now a part of the Great Lakes Provisional Annual Conference that is comprised of congregations from these four states. Currently, we have over 156 churches which have voted to affiliate with the Global Methodist Church in our geographic area, with many more in the process of disaffiliation and also choosing what their affiliation may be. While we are connected in this mid-west region, we all have had different time frames and paths on this journey. Indiana has had three different opportunities of disaffiliation since July 1, 2022, and that time has come to a close in Indiana. Others just had their first of two disaffiliation chances that will end in December of 2023, and yet others only got one chance this past annual conference season. Some congregations have come unified, and others come as new plants due to “blown up votes.” Some have been living in this “new normal” for close to a year, and others are just beginning this journey as a Global Methodist congregation. We also know some are not yet here but will be by January 1, 2024. Others will join in the years to come. Together our vision is to join God in a journey of bringing new life and the presence of Christ to all people, and to helping each person reflect the character of Christ in a Methodist connection that honors the historic faith delivered.

The Global Methodist Church is gathering churches around Wesleyan teachings, orthodox theology, and scriptural Holiness. This theological congruence and clarity of beliefs is making way for the Holy Spirit to bring about revival in our congregations. Having deeply studied the doctrines and disciplines prior to joining the GMC, we are seeing many congregations experiencing an awakening, with new members joining weekly. In this new denominational alignment, we have new congregations and fellowships being started, renewed, and becoming revitalized. It is exciting to see how congregations of the Global Methodist Movement are coming together and forming new and deep connections with God, each other, and their communities.

If we are honest, many have felt that we were greatly constrained in our former denomination as traditional/orthodox Methodists. Those constraints are gone. We can now boldly proclaim the Lordship of Jesus Christ, the authority of scripture in our daily lives, and the love and grace that comes from knowing that Christ is the Truth and the Way. Let us lean into this line of scripture, *“Forget about what’s happened; don’t keep going over old history. Be alert, be present. I’m about to do something brand-new. It’s bursting out! Don’t you see it? There it is! I’m making a road through the desert, rivers in the badlands.”*

One thing those of us who have been in this new expression for a while now know is that everyone will need time to heal! Take it! We all have some pain and trauma from the past journey. As we move forward, we need to be careful not to keep “going over old history.” As you begin this new part of the journey in this new life cycle of your congregation, “be alert and be present” to the new thing God is doing in, and through you! May we boldly live in to being “new creations” in the mission field of our communities, work places, and places of recreation; sharing God’s love, grace and offering hope to a broken world.

In this document we have tried to provide some foundational information regarding your new annual conference: the Great Lakes Conference of the Global Methodist Church. We are intentionally creating a new structure, with a new healthier culture. Instead of being a drain on the local church, we want to be an equipping and sending resource for the local church. To this end we have set our connectional giving rates very low, (see the pages attached on Connectional Funding). We have purposely designed small districts with Presiding Elders who are actually serving in the local church to be missional strategists and support networks for clergy and churches, (see the pages on Districts and Presiding Elders).

So again I say: Welcome Home! We are so thankful you have chosen to affiliate with the GMC. We look forward to being in ministry with you as we dedicate ourselves to making disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly. Should you have any questions, please do not hesitate to reach out to our leadership team. We are here to help and equip you for this great work!

Serving with you,

Rev. Dr. G. Scott Pattison
President Pro tempore
Great Lakes Provisional Conference

Conference Prayer & Intercession Team

The role of The Conference Prayer & Intercession Team is to ensure the work of the emerging conference is thoroughly covered in prayer throughout the developmental process and beyond. The team prays for regional leadership and regional needs as well as the GM Church leadership and needs. This Conference team also prays and works together to encourage local GM Church pastors to prayerfully select a prayer point person from each local church in order to ensure prayer is a priority in local churches. The Conference Prayer & Intercession team "prays for prayer," as Rev. Dr. Terry Teykl instructed, so that each of our local GM Churches will become a "house of prayer" as in the words of Jesus. The team also resources local churches as needed. Most importantly, the team prays for the mission of the GM Church: "Our mission is to make disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly."

Office of Presiding Elder

In the Great Lakes Conference, we have purposely kept our districts very small to ensure deep connection between the local congregation, their presiding elder and the annual conference. Deep connection is a core value for our annual conference. We have developed our structure to make sure all congregations from our largest to our smallest feel like an integral part of the whole as we seek to make disciples of Jesus Christ.

Our Presiding Elders (formerly District Superintendents) will have the primary tasks of relationship building, missional strategy, congregational and clergy support, as well as appointive ministries. The Transitional Doctrines and Disciplines list the following as the role of the Presiding Elder (Paragraph 507.)

- As an extension of the office of bishop, the presiding elder (district superintendent) shall oversee the total ministry of the clergy and churches in the communities of the district in their missions of witness and service in the world. The presiding elder (district superintendent) is the acting administrator of any pastoral charge in which a pastoral vacancy may develop, or where no pastor is appointed. As such, the presiding elder (district superintendent) has the following specific responsibilities:
- Be the chief missional strategist of the district and be committed to living out the values of the Church, including a mandate of inclusiveness; model, teach, and promote generous Christian giving; cooperate in developing Christian unity, and ecumenical, multicultural, multiracial, and cooperative ministries; and work with persons across the Church to develop programs of ministry and mission that extend the witness of Christ into the world.
- Along with the bishop, guard, transmit, teach, and proclaim, corporately and individually, the apostolic faith as it is expressed in Scripture and tradition from a Wesleyan perspective, communicating and defending the doctrines and discipline of the church as provided for in this Transitional Book of Doctrines and Discipline.
- Work with the bishop and cabinet in the process of appointment and assignment for ordained clergy, or assignment of qualified and trained lay ministers.
- Work to develop an effective and functioning system for recruitment of candidates for ordained ministry.
- Establish working relationships with pastor-parish relations committees, clergy, district lay leaders, and other lay leadership, to develop faithful and effective systems of ministry within the district.
- Serve as an example of spiritual leadership by living a balanced and faithful life, and by encouraging both laity and clergy to continue to grow in spiritual formation.

- Offer support, care, and counsel to clergy concerning matters affecting their effective ministry.
- Encourage the building of covenant groups and communities among both the clergy and clergy families, and the laity on the district.
- Maintain regular contact with the clergy on the district for counsel and supervision and receive written or electronic reports of each clergyperson's continuing education, spiritual practices, current ministry work, and goals for future ministry.
- Maintain the appropriate records of all clergy appointed to or related to the charges on the district (including clergy in extension ministry and ministry beyond the local church), as well as records dealing with property, endowments, and other tangible assets of the Global Methodist Church within the district.
- In consultation with the bishop and cabinet, work to develop the best strategic deployment of clergy possible in the district, including realignment of pastoral charges when needed, and the exploration of larger parishes, cooperative parishes, multiple staff configurations, new faith communities, and ecumenical shared ministries.
- Interpret and decide all questions of Church law and discipline raised by the churches in the district, subject to review by the resident bishop of the annual conference.
- Serve at the pleasure of the bishop and assume other leadership responsibilities as the bishop determines for the health and effectiveness of the local churches in the district and annual conference.

Appointive Process

It is our desire to live into the appointive process described below, but there may be times and circumstances when the process cannot be followed. Nevertheless, in consideration of the *Transitional Book of Doctrines and Discipline* paragraphs 509-513, we will live into the following appointive process to the extent possible.

1. The President Pro Tempore, Presiding Elders of the Provisional Districts, and regional representatives shall constitute the Cabinet ("the Cabinet") of the Great Lakes Provisional Annual Conference. As more churches are brought into the conference, appropriate representation will be sought so that the needs of the local church and clergy can best be represented and advocated for. The Cabinet shall be as close to a representation of the people groups and regional identities of the area known as the Great Lakes.
2. The Cabinet will make all attempts to acquire a profile from all churches and clergy within their area in order to form a baseline for current and future appointment needs.
3. The Cabinet will work with the Regional Clergy and Church Relations Coordinator to maintain a confidential list of open or opening ministry settings and potential clergy who will or may need an appointment.
4. There will be an online database that will be accessible only to members of the Cabinet to house all the church and clergy profiles of the GLPAC. All attempts will be made to get a current, within the previous four months, profile from all churches and clergy who are seeking an appointment or an appointment change.
5. The Cabinet will evaluate all potential clergy candidates for an appointment. After much prayer, paying particular attention to the missional needs of the congregation or ministry setting, the Cabinet will create a list of two or three potential clergy for the appointment. The cabinet will seek to give fair consideration to the diverse pool of clergy within the GLPAC, including but not limited to diversity of age, gender, culture, ethnicity, skill set, etc.
6. The Cabinet will then give the clergy Profiles of the candidates for the ministry setting to the Staff-Parish Relations Committee (SPRC), or equivalent body, for their review.
7. The SPRC will review the clergy profiles prayerfully and completely. They will then give the Cabinet a report on the potential for ministry of each candidate in as judicious a timeframe as possible. These reports will include:
 1. what strengths the SPRC believes this candidate will bring to their ministry context
 2. what areas of concern they have about the candidates potential fit for their ministry context
 3. a designation by the SPRC as to whether they see this candidate as a great potential fit, a good potential fit, they are willing to prayerfully work with this candidate, or they believe that this candidate would not be a good fit.
8. The Cabinet will also give the church profile to those potential candidates for the appointment and ask them to prayerfully consider the ministry context. Upon prayerful consideration, the clergyperson will then give the Cabinet a report on the potential for

Ministry within that ministry context in as judicious a timeframe as possible. These reports will include:

- a. what strengths the candidate believes that the church brings to their ministry context
 - b. what areas of concern they have about the ministry context potential fit
 - c. a designation by the clergyperson as to whether they see this ministry setting as a great potential fit, a good potential fit, they are willing to prayerfully work with this candidate, or they believe that this candidate would not be a good fit.
9. The Cabinet will then take the reports of the SPRC and clergy persons and prayerfully consider what appointment will meet the needs of the ministry context, the clergy, the needs of the GLPAC, and the GMC mission as a whole.
 10. Upon making what they believe to be the best God honoring decision, the Cabinet will schedule a meeting between the candidate and the members of the SPRC. This meeting will give sufficient time to allow each group to get to know one another.
 11. The Cabinet representative will moderate the meeting in order to facilitate the discernment process. They may ask questions for clarification or to make sure that pertinent information is made known, but they should not seek to influence the discussion more than necessary.
 12. Upon completion of the meeting, the SPRC and clergyperson will be encouraged to enter into an intentional time of prayer and discernment. After a reasonable time, both groups will let the Cabinet know of their intentions to either receive or not receive this appointment.
 - a. Upon completion of an agreed upon appointment match, the Presiding Elder will complete the Change of Appointment sheet and send it to the President Pro Tempore, who in turns submits it to the bishop, to fix the appointment. As required by paragraph 509.6 of the *Transitional Book of Doctrines and Discipline* the appointment is not finalized until the bishop fixes the appointment.
 - b. If there are reasonable concerns made that this is not the best match by either the SPRC or clergy, then the discern process continues.

Frequently Asked Questions (FAQ)

Great Lakes Conference of the Global Methodist Church

Can you tell me about the beliefs of the GMC that may be different from what many of us have previously lived under?

The GMC intends to fully follow their stated beliefs in practice. One of the specific doctrinal hallmarks of the GMC is that the GMC will explicitly embrace the historic creeds of the Christian faith. These are the **Apostle's Creed**, the **Nicene Creed**, and the **Definition of Chalcedon** (a doctrinal description of Jesus). We also still consider the Articles of Religion (inherited from the Methodist Church) and the Confessions of Faith (inherited from the EUB Church) to be foundational documents.

Our *Transitional Book of Doctrine and Discipline* is full of insight and truth, including statements on the topics of:

Life:

- We believe that life is a holy gift of God whose beginnings and endings are set by God, and that it is the particular duty of believers to protect those who may be powerless to protect themselves, including the unborn, those with disabilities or serious illness, and the aged (*Genesis 2:7, Leviticus 19:32, Jeremiah 1:5, Luke 1:41-44*).

Holiness:

- We believe that followers of God have been called to exercise self-control and holiness in their personal lives, generosity and kindness in their relations with others, and grace in all matters of life (*Romans 12:9-21, Galatians 5:22-23*).

Race:

- We believe that all persons irrespective of their station or circumstances in life have been made in the image of God and must be treated with dignity, justice, and respect. We denounce as sin racism, sexism, and other expressions that unjustly discriminate against any person (*Genesis 1-2, Deuteronomy 16:19-20, Luke 11:42, 19:9, Colossians 3:11*).

Sexuality:

- We believe that human sexuality is a gift of God that is to be affirmed as it is exercised within the legal and spiritual covenant of a loving and monogamous marriage between one man and one woman (*Exodus 20:14, Matthew 19:3-9, Ephesians 5:22-33*).
- We are saddened by all expressions of sexual behavior, including pornography, polygamy, and promiscuity, that do not recognize the sacred worth of each individual or that seek to exploit, abuse, objectify, or degrade others, or that represent less than God's intentional design for His children. While affirming a scriptural view of sexuality and gender, we welcome all to experience the redemptive grace of Jesus and are committed to being a safe place of refuge, hospitality, and healing for any who may have experienced brokenness in their sexual lives (*Genesis 1:27, Genesis 2:24, 1 Corinthians 6:9-20*).

The complete *Transitional Book of Discipline* can be found at: globalmethodist.org/what-we-believe

Where will Global Methodist Churches get their future pastors?

The GMC has an organizational structure with Presiding Elders and Bishops. The Presiding Elder will help the church find the pastor that is the best fit for their congregation and the bishop will finalize that appointment. The GMC's Presiding Elder will consult heavily with the Staff-Parish Relations Committee, usually offering more than one candidate that the committee members will likely be allowed to interview prior to the bishop's appointment. Also, there will be a concerted effort by the cabinet to not move pastors unless either the pastor or the church lay leadership requests a change or for the betterment of the Kingdom work of the Global Methodist Church.

Does the GMC exclude LGBTQIA+ people from their churches?

No. All people – **all** – will be welcome at Global Methodist Churches. The mission of the Global Methodist Church is to “make disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly.”

¶ 103. PRINCIPLES OF OUR LIFE TOGETHER in the GMC's Transitional Book of Doctrine and Discipline describes one of the hopes for all of their churches as: “Model the love of God in order to respond to the summons to love the Lord our God with all of our heart, mind, soul, and strength, and to love our neighbors as ourselves. To this end we are committed to fulfill the commandment in John 21 of lovingly feeding and tending to the flock of God and others, worshiping God in spirit and in truth and watching over one another in love.”

Will the Global Methodist Church provide a directory to local churches that are members of it?

Yes, there will be a denomination-wide directory in the future. However, many churches seeking to disaffiliate from their current denomination and transfer to the GMC are still awaiting approval from their current denominations. We ask for your patience and prayers as theologically conservative churches navigate challenging transitions. You can see the list of churches and clergy that have either been accepted or are in process of being accepted as of June 27, 2023 in the sections before this FAQ. Also, the Great Lakes Conference does currently have a page on our website that showcases our current GMC churches in our area. That can be found at greatlakesgmc.org/our-churches. This page is updated regularly as new churches join the movement!

Is the Global Methodist Church and its affiliated churches exempt from federal taxation and are gifts to the Global Methodist Church and its affiliated churches deductible as charitable gifts?

The Global Methodist Church is recognized as a tax-exempt organization under Internal Revenue Code (IRC) § 501(c)(3). The Internal Revenue Service (IRS) determination letter is available on the globalmethodist.org website. All contributions, made on and after March 18, 2022, to the Global Methodist Church are deductible as charitable contributions to the extent applicable by governing federal and state laws.

The IRS suspended receiving and processing group exemption applications in 2020. Thus, the Global Methodist Church cannot apply for a group exemption covering local churches which are part of the Global Methodist Church.

However, the law firm of Gammon & Grange, PC, which represents the Global Methodist Church, has issued its opinion letter stating that local churches are exempt from taxation pursuant to a mandatory exception in IRC § 508(c)(1)(A). Local churches are not required to file an application (IRS Form 1023) with the IRS to qualify as tax exempt under IRC §501(c)(3). Contributions to such local churches in the United States are eligible for tax deduction pursuant to IRC §170(b)(1)(A).

When the IRS reopens the process for applying for a group exemption under IRC §501(c)(3), the Global Methodist Church will file for such a group exemption to cover local churches who are members of the Global Methodist Church. To preserve the opportunity to be included in a group exemption granted to the Global Methodist Church in the future, local churches who are members of the Global Methodist Church should not file a separate application for recognition of IRC §501(c)(3) status, but instead should rely on the automatic exemption pursuant to IRC §508(c)(1)(A).

How does a church apply for a new Employment Identification Number (EIN)

Each church will need to apply for a new Employment Identification Number (EIN) upon changing the legal name and denomination of the church. You can find a detailed outline of this process at: www.irs.gov/charities-non-profits/employer-identification-number

What checks and balances are hard-wired into the Global Methodist Church to prevent dysfunctional power dynamics?

The GMC has no property trust clause, does not have guaranteed clergy appointments, and has imposed term limits for bishops. In our truly enforceable Transitional Book of Doctrines and Discipline there is the ability for action and removal of bishops, clergy, and congregations that stray from its standards for theology and practice. If you would like further information about this topic check out the Transitional Book of Doctrines and Discipline Part Three – Local Church, Sect. 354 – Congregational Fidelity; also, Judicial Practice and Procedure Rules.

A Message About Connectional Funding

Dear Local GMC Church,

We are very grateful your church is a member congregation of the Global Methodist Church. Our prayer is that God will work through every local church so together we are making disciples of Jesus Christ who worship passionately, love extravagantly, and witness boldly.

As a member congregation, you invest in this important work through Connectional Funding. Now that you are a member congregation, we invite you to join with your sisters and brothers to provide the financial resources for the creation of a healthy and vibrant denomination dedicated to sharing the Gospel of Jesus Christ in word and deed.

In the Global Methodist Church, local congregations will not receive a bill from either the Global Methodist Church or their provisional annual conference. Instead, a local church calculates the amount it will pay for Connectional Funding and then, on a monthly basis, sends a portion of that amount to the general church and a portion to their provisional annual conference. The following information will guide you through that process.

Connectional funding is addressed in ¶349 of the *Transitional Book of Doctrines and Discipline*. The Transitional Leadership Council, in this season, has set general Connectional Funding remittance at one percent (1%) of a local church's operating income. For the remainder of 2023, the Great Lakes Provisional Annual Conference has also set Connectional Funding at one percent (1%) of a local church's operating income. Thus, there are two categories of Connectional Funding – one for the general church and one for the provisional annual conference.

We have attached a **Connectional Funding Worksheet** you can use to determine your church's Connectional Funding payment. We have also attached a completed worksheet as an example. In addition, we have attached a **Connectional Funding Payment Form** for communicating relevant payment information. Both of these forms can be accessed in a fillable format at this site: greatlakesgmc.org/forms

Your local church treasurer or designee will calculate the amount to be paid based on your local church's **prior year** operating income. This means that for 2023 the calculation is based on your 2022 operating income.

- What constitutes “operating income” is defined in ¶349.3.
 - ¶349.3a provides that local church operating income includes:
 - “Giving from identified and not identified donors, investment income utilized for operations, building use fees and rental income, and other unrestricted operating income.” You enter these amounts in the appropriate cells listed under “Included in Operating Income” on the worksheet. The worksheet automatically calculates “Total Operating Income” once you have entered the data.
- ¶349.3b for the exclusion of certain types of revenue from local church operating income. It excludes:
 - “Benevolences (outside ministries supported by the local church), capital

campaign receipts, borrowed funds, fundraisers for non-operating expenses, receipts for reduction of indebtedness, memorials, endowments, and bequests whether restricted or non-restricted, receipts for Global Methodist Church special mission programs, grants and support from other organizations, sales of land, buildings or other church assets, and other non-operating income received.” Income from these sources should not be included in the categories which constitute operating income on the worksheet.

- The worksheet automatically calculates the local church’s “Yearly General Church Connectional Funding” (see Row 14) and “Yearly Annual Conference Connectional Funding” (Row 22). The worksheet then calculates the local church’s monthly payment for General Church Connectional Funding (15) and Annual Conference Connectional Funding (Row 23).
- Each January a local church treasurer will be provided a new worksheet based on the Connectional Funding rate set by the TLC or the annual conference members in the prior year’s annual conference session.

Your church then sends a check, along with the attached Connectional Funding Payment form, on a monthly basis in the amount of the monthly General Church Connectional Funding (Row 15) made payable to:

The Global Methodist Church
11905 Bowman Drive, Suite 501A
Fredericksburg, VA 22408

In addition, your church will make its Great Lakes Provisional Annual Conference Connectional Funding (Row 23) payment either through electronic transfer (our much-preferred method) using the following link: greatlakesgmc.org/cf or by check made payable to:

Great Lakes Provisional Annual Conference of the GMC
3100 West Stones Crossing Rd.
Greenwood, IN 46143

Payment of your annual conference Connectional Funding by electronic (ACH) is beneficial not only to the annual conference, but also to your church. Since the amount of the payment does not change from month-to-month, paying electronically allows you to set up recurring payments once a year rather than expending the effort to generate and mail a check each month. Instructions for setting up electronic transfer payments are found in the following pages.

Local churches can send more than one month’s payment at a time. However, we encourage local churches to send Connectional Funding payments on a monthly basis.

We look forward to receiving your local church’s Connectional Funding Payment and to sharing with you the fruits of our connected ministry.

In Summary:

1. Within the first few weeks after receiving these instructions, complete the Connectional Funding Worksheet for 2023 and the first Connectional Funding Payment Form for 2023 and email both to the Conference Treasurer at treasurer@greatlakesgmc.org.
2. When you are ready to make your first month's connectional funding payment, mail a copy of both forms along with your first general church check to:
The Global Methodist Church
11905 Bowman Drive, Suite 501A
Fredericksburg, VA 22408
3. Then, either:
 - a. Set up your electronic ACH giving account at this address greatlakesgmc.org/cf (using the instructions enclosed below) and initiate the first Great Lakes Provisional Annual Conference payment.Or,
 - b. mail your first annual conference check along with the Payment Form to:
Great Lakes Provisional Annual Conference of the GMC
3100 West Stones Crossing Rd.
Greenwood, IN 46143
4. If paying Connectional Funding at this time of transition creates a financial hardship for your church, please contact the Great Lakes Provisional Annual Conference Treasurer, Mike Womack at (317) 501-5568 to discuss your situation.
