## New Content Topic

000-A: OTHER TOPIC

## Petition Title

Task Force to Revise the General Rules

## Rationale for Petition

The General Rules are an important part of our Methodist heritage. However, they were developed for the particular context of 18th century Methodists. . There are important differences and new challenges facing Global Methodists in our various contexts around the world today.

This project seeks to preserve the spirit of the General Rules in a way that truly fits our current global contexts.
