Good evening,

SB 586-Corporations and Associations - Methodist Church Trust Requirement Repeal and Disaffiliation Requirements has officially passed out of the Senate today and has crossed over to the House. A hearing will be held in the Economic Matters Committee in the House within the next week or so; we do not have a date yet but we will keep you posted.

Please let other members and pastors know so that once we have the hearing date whoever would like to testify in person, virtually, or submit testimony in favor of this legislation may be able to. Please have them reach out to our office if they are interested.

Thanks again for your support,

**Jasmine Hall**
